

MATHAVAN A

Full-Stack Web Developer

Chennai, Tamil Nadu | +91 9500997163 | amathavan163@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

CAREER OBJECTIVE

I am Full-Stack Web Developer skilled in HTML, CSS, Bootstrap, JavaScript, and Python, currently building hands-on expertise in React, Django REST Framework, and PostgreSQL through an intensive training program. Experienced in building and deploying full-stack, role-based web applications end to end. A quick learner seeking an entry-level Software or Web Developer role to learn, contribute, and grow with the team.

TECHNICAL SKILL

Languages: HTML, CSS, JavaScript, Python

Frameworks & Libraries: React, Django REST Framework, Bootstrap **Database:** PostgreSQL.

Tools & Platforms: VS Code, Git, GitHub, Render, Vercel

Concepts: REST APIs, Responsive Web Design, Version Control

Soft Skills: Problem-Solving, Adaptability, Team Collaboration, Time Management

PROJECTS

Library Management System

TECHNOLOGIES: React, Django REST Framework, PostgreSQL

- Developed a role-based library management system for Admin, Staff, and Student users.
- Implemented authentication, book management, borrowing/return workflows, dashboards, and reports.
- Integrated the React frontend with Django REST APIs and a PostgreSQL database.
- Deployed the application with a live frontend and backend.

Live Demo: <https://library-management-system-2-j5yu.onrender.com/>

Ironing Center Website

TECHNOLOGIES: HTML, CSS, JavaScript, AI-Assisted Development Tools

- Designed and built a fully responsive business website for a local ironing service, covering service listings, pricing, a photo gallery, and a contact section.
- Implemented a mobile-first, responsive layout using CSS Flexbox for a consistent cross-device experience.
- Structured semantic HTML and modular CSS for easier maintenance and faster updates.
